If you are interested in the lab, stop by the music room 88 and see for yourself.

A new group is being formed on Tuesday evenings from 7:30 - 9:30 p.m. for one hour of credit for students who can't make the busy day slot of the Shelton Singers. This group will perform with the day choir at Christmas and during the spring program. Choral director for 1982 is Everett McCorvey. Join the fun and be rewarded with a musical experience.
